INFORMATION TO OUR PATIENTS

Welcome to YEE DENTAL CARE. Our mission is to deliver the finest comprehensive treatment available today, and we will perform it to your satisfaction.

As is customary, payment is due at the time services are rendered. We ask that you read and sign this statement prior to any treatment. We accept cash, personal check, VISA, Mastercard, and American Express. For extensive treatment plans, we offer extended payment plans with little or NO interest with prior credit approval.

For our patients with insurance benefits, we will gladly file all dental claims for given treatment, but it is with the understanding that follow-up contact with the insurance company is the responsibility of the patient. The balance is YOUR responsibility whether your insurance company pays for your treatment or not.

We understand that your time is valuable, therefore we make every effort to see you at your scheduled appointment time. In order to be fair to all of our patients, we ask that you notify our office at least 48 hours in advance if you cannot keep your scheduled appointment. **There will be a \$40.00 charge assessed for failed appointments or those cancelled without a 24 hour prior notice.**

I understand that any unpaid balance after 60 days is charged a yearly finance charge of 18%. I further understand that this finance charge is equal to 1.5% of my outstanding balance per month. **I understand that if my account reaches collection status and I make no effort to pay off my account, my account will be assigned to a collection attorney or agency. If Dr. Yee must take additional steps to collect my account, I will pay ALL costs of collection, including court costs and attorney's fees incurred by Dr. Yee.**

Thank you for taking the time to read and understand our financial agreement. We want your visit to YEE DENTAL CARE to be a positive experience.
